## St. Joseph's R.C. Primary School

Headteacher: Ms. C. McKeever

Charity Number: 286432

I would like to take this opportunity to say a warm and sincere thank you to you for your generosity and support of St. Joseph's annual Auction of Promises fundraising event. Last year our fundraising auction raised over £60,000.

As we are restricted by lack of government funding it is vital for the continued success of St. Joseph's to raise money each and every year. In the past, funds raised have been used to help complete a new school wing (comprised of a new nursery, playground and computer suite), redevelop the main assembly hall and fund essential educational resources. This year the money raised will be aimed, in particular, at the redevelopment of several classrooms and to fund certain educational resources and our many Green initiatives. None of these projects, past or present, could be achieved without the generous support of the local community, businesses, families and friends.

On behalf of myself, members of the School Association, the teachers and the pupils of St. Joseph's please accept our heartfelt gratitude.

Your support is gratefully appreciated.

Yours sincerely,

Ms. C. McKeever  
Headteacher
